

AKASHIC SOUL RECONNECTION BY DOWSING ®

LECTURER: Rev Dr Catherine W Dunne and Rev Angela Hutcheon

2 Course Credit - This includes the Akashic Pendulum (but not the arm rest this is extra)

Course Objective:

The Akashic Records are a compendium of all human events, thoughts, words, emotions and intent ever to have occurred in the past, present or future. The Akashic Records are believed by theosophists to be encoded in a non-physical plane of existence. Known as the etheric plane. There are many courses available to learn to access this amazing Library; Aumvedas Academy has taken this one step further. In this course, we will teach not just about the Akashic Records, but how to access the Library with the use of your Pendulum. Charts, in the course used, will be given to you separately, so you can print them and use, as you move along in this course.

Questions you may want to ask yourself: What will I gain from this course? Can I do this course without the use of a pendulum? Will I be able to use this method for others?

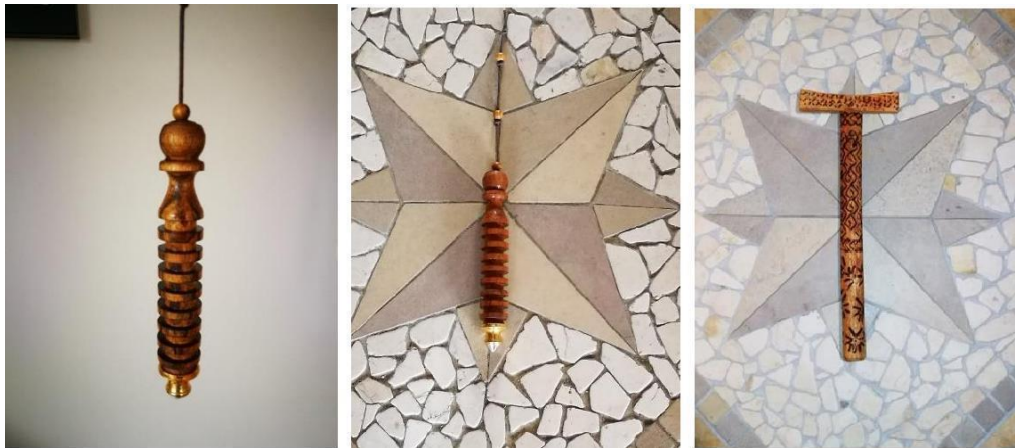

Will I receive a certificate? That answers to your questions are: YES, there is a certificate upon completion of this course

Once qualified, you may use this to expand your current business, by adding this to your qualifications. Unfortunately, this course is built solely around the use of Pendulum Dowsing, so a good pendulum is required; ideally a wooden one and for greater success, we recommend our Akashic Pendulum. What will you gain from this course? Knowledge from the Akashic Library. If you have never used a pendulum before then we also have a course which will teach you how to.

This course was written by Aumvedas Academy Founders Rev Angela Hutcheon and

Rev Dr Catherine W Dunne. This course took over six months to compose, adding Angela's expertise as Psychic Medium, Catherine's Dowsing Mastery, both also experience in Past Life Regression and Soul Alignments, and both being Members of Blue-Printers (you will learn more about Blue-Printers in this course).

With this course, you will separately, receive a PDF with 59 dowsing charts to accompany you, during your studying. To complete the course, a small exam paper is to be submitted with your journaling. Upon completion you will receive a certificate.

Exclusive to Aumvedas Academy, the 8-disc Akashic Pendulum is available and made to order. Each Pendulum weighs approx. 95 g and 18cm in length. Due to it's weight, an arm rest is also available at an extra charge.
